Hello

Vo Thi My Linh

I'm currently working as a freelance UI/UX and graphic designer. I have five years of experience in the creative industry. I am always eager to learn new skills and technologies in order to improve my work performance.

I believe that my experience and integrity are assets that strongly help your business. As an experienced UI/UX designer, I have a broad set of both technical and soft skills to deliver high-quality products.

In my dictionary there are no words "beautiful" or "ugly", only "appropriate" or "inappropriate".
